at this juncture...

Indeed it is a matter of prodigious pleasure to handover this news letter to you as we are stepping into new premises. The new campus is proposed to be a 'Residential Management School'. It had been a journey of five years of rapid development of this institute since 2004 and we thought to take a breath on this juncture and share few things with you. Rayat Shikshan Sanstha has expanded wings to sore high in professional education by strengthening its existing management institute. The separation of department and appointment of teaching faculty was bold forward step towards coveted goal. Sanstha has extended the cooperation to its fullest. institute is recognized research center in management affiliated to Shivaji University, Kolhapur. Institute is doing excellent in all spheres like academics, research and extra curricular activities. Various cells are actively performing their respective tasks. Institute hosts various intercollegiate competitions like eMBark (Inter-collegiate Management Mega Events Festival), Upbeat (Inter-collegiate Paper Presentation Competition), Poster Presentation and Digit (inter-collegiate software development competition).

Feather in the cap, the institute is shouldering responsibility as lead college of management. Institute affiliated to Shivaji university since 2010. Shivaji University has approved this institute as recognize research institute for M.Phil. and Ph.D. from 2008.

Rayat Shikshan Sanstha

About Sanstha

Rayat Shikshan Sanstha is one of the leading educational institutions in Asia. The value of its contribution to education in general is enormously great as it has, from the very beginning, tried all its best to lay emphasis on the education of the down-trodden, the poor and the ignorant who really form the major bulk of society. The founder of the institution, late Padmabhushan Dr. Karmaveer Bhaurao Patil, was a man of the masses, who devoted all his mind and heart to the cause of their education. He had an incisive understanding of the social ills that beset his times and fully realized the dire need of the spread of education. He believed that education alone could correct the social ills such as caste hierarchy, money-lending, illiteracy, superstitions

and social and economic inequality; and could be the powerful means of social transformation. All his life, he tried to translate this belief into reality. Rayat Shikshan Sanstha, stands for, strives for and has accomplished to a great extent what the founder father had in his mind. Rayat Shikshan Sanstha made astounding progress in the field of education reflecting fully the ideals cherished by the founder. The word 'RAYAT' chosen by Padmabhushan Dr. Karmaveer Bhaurao Patil to name his Sanstha, was significant indeed. 'Rayat' means masses and the educational institution named after it was to focus its attention on the welfare and happiness of the masses. Education then, was but privilege of the select few. Betterment of the under -privileged achieved through the Sanstha is the outcome of Padmabhushan Dr. Karmaveer Bhaurao Patil's perfect vision and foresight. The astounding work for the poor and deprived, performed by Sanstha with the missionary zeal, has been honored with many titles and awards by both the State and the Central Government; viz. "Dalit Mitra Puraskar", "Dr. Babasaheb Ambedkar Award", "Shahu Puraskar" etc.
